HELPING HAND

Free development program

HELPING HAND

Edition IV

Special edition for people
with disabilities
and neurodivergence

Training starts on 10th June 2024

Do you feel invisible in the labor market because of your neurodiversity or physical health conditions?

Are you **highly skilled** but facing barriers due to your disability when seeking employment? If you have at least **communicative English**, consider experiencing a diverse work environment where individuals with disabilities or neurodiverse backgrounds are welcomed.

Join our educational program led by business practitioners based on employee volunteering. **Gain valuable business skills**, expand your professional network, enhance your language proficiency, and explore the dynamics of working in a international organization.

HELPING HAND

What is Helping Hand Project - 4th edition?
